Drug name

Advantage Carb Blocker

Drug Uses

Advantage Carb Blocker is designed to aid those on low-carb diets seeking to shed more than just a few extra pounds.

How Taken

As a dietary supplement take two to three capsules daily with a meal or a glass of water. Do not exceed nine capsules daily.

Drug Class and Mechanism

Weight loss can be achieved by the ability of Advantage Carb Blocker ingredients to block unnecessary carbohydrates and suppress unwanted food cravings. Advantage Carb Blocker will give the serious dieter the extra Advantage to lose weight. Advantage is identical in composition to several of the most popular weight loss products on the market. If you find another brand which also uses this formula, be sure to compare the supplement facts between the two. You may very well find that certain label data, such as daily value percentages, does not match up. Certified Natural guarantees that the label claims are accurate and correct.

Missed Dose

If you miss a dose of Advantage Carb Blocker, take it as soon as possible. If it is almost time for your next dose, skip the missed dose and go back to your regular dosing schedule. Do not take 2 doses at once.

Storage

Store Advantage Carb Blocker at room temperature, between 68 and 77 degrees F (20 and 25 degrees C). Store away from heat, moisture, and light. Keep Advantage Carb Blocker out of the reach of children and away from pets.

Warnings Precautions

If you suffer from health problems consult a physician before using. This product is not to be used by pregnant or lactating women.

Possible Side Effects

Because Advantage Carb Blocker is an all-natural nutritional supplement containing only the finest botanicals, there are no harmful side effects when taken as directed.

More Information

Advantage Carb Blocker is not a pharmaceutical drug and contains none of the synthetic chemicals found in prescription medications. It is a safe alternative to prescription drugs, which can sometimes have serious side effects.
